

## Mission

The Pennsylvania Ski and Winter Sports Museum and Hall of Fame is dedicated to preserving the heritage of winter sports in the Keystone State. Founded in 1994 by a group of enthusiasts, led by Albert Dowden and Alex Bensinger of Stroudsburg, this educational organization is a recognized nonprofit corporation completely supported by members, donors and volunteer enthusiasts.

## Museum

Located in the base lodge of Camelback Ski Area, the museum exhibits historic photos, biographies, equipment and memorabilia from yesteryear. The Pennsylvania Historical and Museum Commission, American Association of Museums and the USSA are just a few of the organizations that collaborate with the Pennsylvania Ski and Winter Sports Museum to preserve and promote the history and rich culture of winter sports.

## Goals

To be an educational institution that researches, collects, interprets, and preserves winter sports. An expansion of the Museum is planned to enlarge the existing Museum and create outreach exhibits in other locations in the state. Winter sports are alive and well in Pennsylvania, but support is needed to help preserve and share the heritage of these beloved sports.

## Hall of Fame

Nearly 50 pioneers and contributors have been inducted into the Pennsylvania Ski and Winter Sports Hall of Fame since its inception in 2002. The Hall honors those current or native born residents who have been actively engaged in winter sports and have made significant contributions at the state, national, or international level.
